Please indicate which type of organization your program/project falls under. (Check all that apply)

- Local Government
- State Government
- Federal Government
- Not for profit
- Tribal
- Industry
- Other

Please answer the following questions. Applications should be no longer than six pages attached to this form. (Information from other P2 awards may be used.)

1. Provide a brief description of the project. How does this project meet the definition of pollution prevention?
2. Describe the project's innovative policy and/or technical aspects with respect to pollution prevention.
3. Provide data on the project's quantitative and qualitative pollution prevention results. Please include the method of measurement.
4. How are the pollution prevention aspects this project transferable to other locations or organizations?
5. Describe internal organizational changes that may have occurred as a result of this project. For example, what was upper management's involvement with the project and/or what new corporate/organizational pollution prevention policies were developed as a result of the project?
6. What pollution prevention resources were available for the project?

Applications must be postmarked by Wednesday, July 2st, 2009.

Email completed applications to staff@p2.org.

\$50 Application fee must accompany each application. Please include credit card details below.
