

UNITED STATES ENVIRONMENTAL PROTECTION AGENCY  
WASHINGTON, D.C. 20460

SEP 30 2010

OFFICE OF  
CHIEF FINANCIAL OFFICER

Dear Colleague:

On behalf of the Environmental Protection Agency (EPA), I am pleased to notify you that the *FY 2011-2015 EPA Strategic Plan* is available. EPA submitted the *Plan* to the Congress on September 30, 2010.

The pre-publication version of the *Plan* is accessible electronically at <http://www.epa.gov/ocfo/plan/plan.htm>. The color, published version will be available in November in electronic form at the same website and in hard copy from the National Service Center for Environmental Publications at 1-800-490-9198 or [nscep@bps-lmit.com](mailto:nscep@bps-lmit.com) (publication number EPA-190-R-10-002).

As you know, the Agency's *Plan*, prepared as a periodic update under the Government Performance and Results Act of 1993, provides a blueprint for accomplishing our priorities over the next five years. It presents five strategic goals for advancing our environmental and human health outcomes, accompanied by five cross-cutting fundamental strategies that set expectations for how the Agency works to achieve these goals. The *Plan* affirms our commitment to our core values of science, transparency, and the rule of law in managing our programs.

I would like to thank you for your time and interest in our efforts to protect human health and the environment as we move forward to implement our new *Plan*.

Sincerely,

A handwritten signature in blue ink that reads "Barbara Bennett".
