P2 intern matrix document

Nancy reviewed the use for the two spreadsheets and walked through how to download the document, edit and upload it. Several states have filled it out. Find it at https://pantherfile.uwm.edu/xythoswfs/webview/_xy-21028451_1?stk=5D0CB413BCAFA51

Featured topic or speaker

Common tools used for gathering metrics for P2 intern programs – three states submitted slides for this presentation – Kansas, Iowa, and Wisconsin. The slides were then put into a presentation file with duplicates removed. Representatives from those states explained the tools and usefulness. It was also noted that the R7 states have several additional tools, but simply featured the primary tools of interest nationally.

Mission statement:

The P2 intern work group's mission is to serve as an information and resource sharing group that supports and assists state programs with the development and growth of their P2 intern programs. The work group may also provide an expanded network for P2 interns to share information and technology assessments.
